

## News Flash October 2012

The Third Executive Committee Meeting (2012-13) was held on Saturday 20th October 2012 which was attended by a majority of the members.

The members present took note of the Financial Statement of the Association for the half year ended 30.09.2012. The Committee while impressed with the increasing membership in the Association by sustained efforts of the Members, underscored the need to increase the membership to the optimum level considering the total number of plot owners in the Green Peace Site.

The members strongly felt that it is high time the plot owner members formed clusters of plots and took up development of the clusters by joint efforts to minimize cost. It was pointed out by members that each cluster to have a common fencing and employ a watchman cum gardener to protect the plots and take up any activity by putting to beneficial use of their land and thereby increase the market value.

The meeting also deliberated on the issue of getting DTCP approval and gathering the support of the Village Panchayat for improving the infrastructural facilities in the Site and one of the essential requirement would be formation and development of a number of clusters with in the Green Peace Site. with in a reasonable time frame.

The first Anniversary of the Association falls on 22.01.2013 (Tuesday) and it as been decided to celebrate the grand occasion by convening a General Body Meeting on the eve of the occasion.
