

### **News Flash - March 2015**

**"Japanese City' as it is commonly referred to, is named as "One Hub Chennai" a mammoth integrated industrial, commercial and residential township that is being developed which is progressing in full swing.**

**All information about the on going Project can be known by visiting their web site- [www.onehubchennai](http://www.onehubchennai).**

**A couple of members from the Association during the routine visit to Green Peace Site, visited "one hub Chennai" Site on 24.3.2015 and had a brief informal meeting with an official in their Site Office who was cordial and hospitable. The Project with 1450 acre area is promoted and developed by leading Japanese companies under a Memorandum of Understanding (MOU) already signed with Tamil Nadu Government and Japanese consortium.**

**The on going Project covering an area of 1450 acres in the Village Paiyanur right on OMR is less than a kilometer distance from Green Peace Cottage Gardens in Siruthavur"**
