

News Flash - June 2015

The 4th Annual General Meeting of the Association was held on 7-June-2015 which was well attended with active participation of members present, to discuss and chart out a plan of action for reviving and redeveloping the Green Princess Cottage Gardens which is over 2 decades old and abandoned by the Promoters; a clear road map for the same has been drawn up for execution. One of the main objectives of the Association can be achieved by implementation of the proposed plan of action with the support and co operation of all members.
