

IMPORTANT CIRCULAR - Creation of Website for the Association.

Circular date: April 3rd .2025.

To,

All Active Members

Dear All,

Sub; Own Web on the internet-announcement -reg

We are glad to inform you that the Association has now created its own Web on the Internet namely- www.gppoa.com

As you may recall, we had earlier a shared web (Weebly.com) which has become non-functional and in its place we have our own web with exclusive domain name which we have paid for during March 2025 valid for three years.

You are requested to go through the details made available in the website and offer your valuable suggestions for improvement, by way of email to the Association.

Members are requested to inform their friends/ relatives who own plots in Green Peace Layout in Siruthavoor, OMR and not yet enrolled as members in the association, to browse the website and get enrolled as members forthwith by communicating to the association by email.

This Circular will also get posted in the Website of the Association-gppoa.com

Thanks

Members of the Core Committee of the Association.
